About the AGENTS OF CHANGE event

Date: 23rd April 2021

Time: 10-11.30am

Attendees: Young people from across Ireland who have participated in Concern's schools programmes during the year 2020-2021

Purpose of event: To motivate and inspire young people to become active citizens

Programme: The webinar will consist of a series of talks and interviews with activists from Ireland and abroad. There will also be videos and some interactive activities

Your role: This is a youth event and we want young people to run it too!

Your role will be to work with 2 other young people to MC the event. This will include introducing the event, yourself, each section of event and the speakers. You will also question the speakers, monitor the chat and pose audience questions and conduct a formal interview with one speaker. **(Concern staff will be on hand at all times to support you.)**

Preparing for the event (To be scheduled at a time convenient for all)

- Before the event meet your 2 co-hosts and receive training on hosting online events
- You will attend a dress-rehearsal and tech check around 2 days before the event

Selection Process
