- Adjudicator Feedback to students:**
- ✓ Be positive and constructive
 - ✓ Do not select one student for particular praise and **never** single out an individual student for criticism, rather refer to teams as a whole in a constructive way
 - ✓ Highlight particular areas of strength such as the amount of research, the rebuttal, the clarity of argument and persuasion skills such as body language, use of voice and eye contact
 - ✓ Give one or two suggestions for improvement such as “try to avoid reading your speeches and over-reliance on notes” or “make sure you let us know where you got your information from by quoting your sources”, or “make sure you listen to your opponents and directly address their points by rebutting them” or if there have been time penalties to “make sure you stick within the two minute limit”
 - ✓ Do not show the marking sheet to the debaters but be available to them after the debate if they seek out further advice.
