

## - Motion One

### **“Africa will regret its reliance on China”**

In episode one of the 2023 ‘Debating Development’ podcast series, Olga chats to Michael Doorly (Head of Active Citizenship in Concern) about the history of Concern, 40 years of Concern Debates and context around the first motion of this year’s league phase!

- What is the context of this motion in relation to things that are happening in the world at the moment?
- What does the future look like for Africa according to current projections?
- What is China’s current relationship with Africa?
- What historical context is there in relation to this motion?
