

## **Intergenerational Climate Declaration - Take Action!**

We're calling on people of all ages to urge elected representatives to act now for climate justice, to protect our planet and future generations.

Follow these 3 simple steps to contact your local TD (Teachta Dála, Irish Member of Parliament):

### **Step 1: Find Your Local TD**

Use this tool to identify your TDs and get their contact information: [Who is my TD? | Find my local TD | Search local TD using your home address | Contact Your Local TD](#)

### **Step 2: Draft and Send Your Email**

Write a personal email to your TD asking them to:

- Support strong, fair climate policies
- Champion the Intergenerational Climate Declaration (IGCD)
- Ensure a just and liveable world for all

Don't forget to attach or include a copy of the IGCD in your message to highlight that this is a collective message from across generations.

### **Step 3: Stay Connected**

Sign up to Concern Worldwide's Campaigns Newsletter to stay informed about campaigns, events and opportunities. [Campaigns Newsletter Sign-Up Form | Concern Worldwide](#)

**The time for climate action is now!**
