

TIME TO REFLECT

Concern's programme to support you to become an active citizen!

Our project name:

Describe your project in 5 sentences - make sure to include your chosen topic and your team's goal!

1. _____

2. _____

3. _____

4. _____

5. _____

What sources did we use for our research?

Draw your global action - you can use words, doodles or create a storyboard.

Draw your local action - you can use words, doodles or create a storyboard.

How many people heard about our project? Did we make an impact?

Our favourite part of our project was:

One challenge we faced with our project was:

Is there anything from our project that we can continue or another action we can take in the future?

What did we we learn from doing this project about the world around us?
